Polycab an ISO 9001 : 2008 company, is the largest Cable & Wire manufacturer in India with a proven track record of over 3 decades. We are also the fastest growing company in the Indian cable industry. From a modest beginning over 3 decades ago. We set-up our first state-of-the-art manufacturing facility at Daman in 1996. We believe that in the Indian cable industry the competitive edge lies in consistent quality and ready availability. Our Daman & Halol manufacturing facilities on 250 acres of land was created to address these key market determinants. The manufacturing set-up is constantly upgraded and expanded as it is sourced out from world-renowned suppliers of machinery & technology. At Polycab, we derive our strength from our customers. The growth of the later is a prerequisite to the growth of the company and hence customer satisfaction is our prime objective.

We, at Polycab understand how important it is for a Gland to be dependable in order to connect cables adequately. And that's exactly why are new range of Cable Glands promise quality and durability.
